

**GRAND CANYON  
WOLF RECOVERY PROJECT**  
PO BOX 233 - FLAGSTAFF, AZ 86002

February 2015

Dear Friend of the Wolves,

The **Grand Canyon Wolf Recovery Project** is a non-profit organization based in Flagstaff, Arizona, that advocates for the recovery of wolves and healthy ecosystems in the Grand Canyon region. Wolves were historically native to Northern Arizona, but were eradicated from the region in the mid 1900s. We hope you will partner with us in our efforts to restore these beautiful, intelligent animals to their essential natural role.

**On April 11th, 2015 we will host the 6th annual Wild and Scenic Film Festival at the Orpheum Theater, in downtown Flagstaff, AZ.** The Festival is always a successful and exciting evening of short films and activities meant to inspire and encourage an active community in support of environmental issues. The night will start with an opening reception with food and drinks, door prizes, and music.

**We hope your business will partner with us by becoming a sponsor or silent auction donor for the Wild and Scenic Film Festival hosted by The Grand Canyon Wolf Recovery Project. Sponsoring businesses will receive advertising in all event publicity. This will include multiple posts on our and our conservation partners' Facebook pages and websites, which combined reach several million people each week, in press materials, and repeatedly throughout the event. This is a great opportunity to advertise your business while supporting our only fundraising event of the year and our biggest annual outreach event in Flagstaff. Donations are tax deductible.**

The Mexican gray wolf is currently considered the most endangered mammal in North America, with a population of only about 109 individuals in the wilds of eastern AZ and western NM. Our goal is to build positive public support for the return of wolves. More information about our organization and work can be found on our website [www.gcwolfrecovery.org](http://www.gcwolfrecovery.org). More information about the film festival on tour can be found at [www.wildandscenicfilmfestival.org](http://www.wildandscenicfilmfestival.org)

Thank you very much for your support. **Please feel free to contact me with any questions you may have.**

Kind Regards,
