Note: We will not be hiking the Section 7 trail on Saturday July 14. We will be participating in events with the White Mountain Apache Tribe on the Fort Apache Indian Reservation that day instead. The trail will resume on Sunday, July 15 with Section 8.

*Note: Slight rounding difference in mileage based on GIS calculations of exact distances

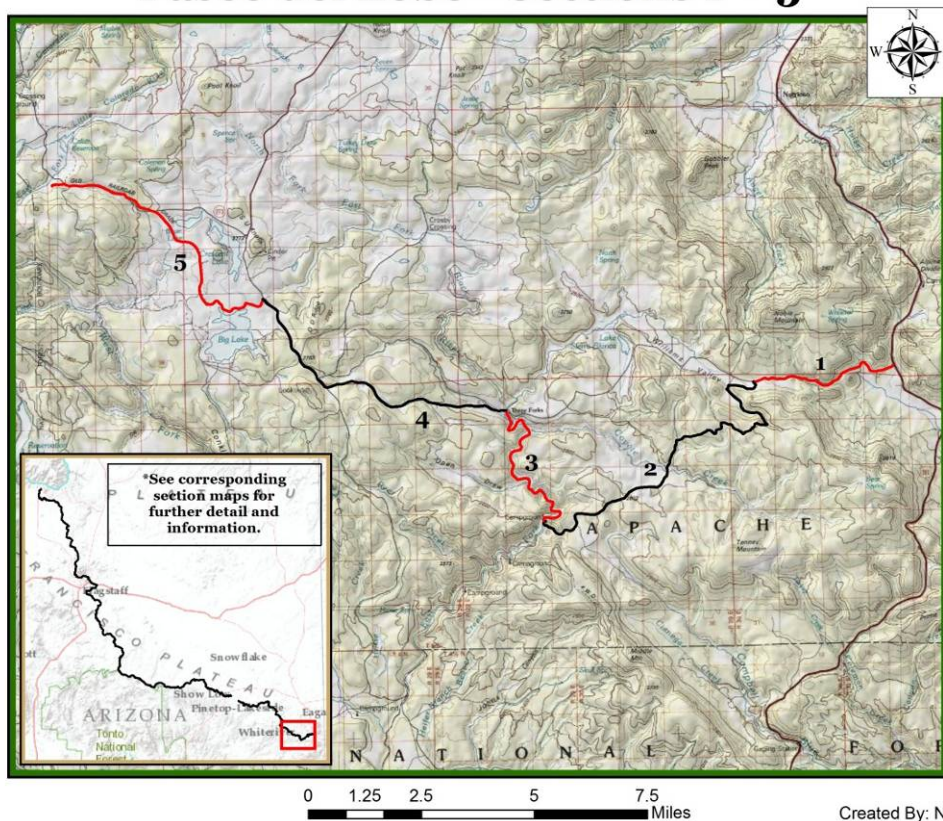

Dates may change slightly due to inclement weather or unforeseen delays. Trail sections may have to be moved to the nearest open road as the result of National Forest area closures due to high fire danger. Once forest closures have been lifted, the trail will resume as shown on the maps.
